Persons Present	Andrew Levine	alevine@voicescripttech.com
	Johanna	johanna@example.com
	Ruth Philips	ruth@example.com

Andrew: "Hi my name is Andrew. We're doing a VST test. Ruth kick us off." [+00:00:22]

Ruth: "Hi." [+00:04:48]

Johanna: "Ok Ruth we're gonna we're here to talk about the burglary that
5 happened when you were at university. Could you just tell us very
briefly what happened when you returned to your house after you
had been to the pub with your friends?" [+00:06:10]

Ruth: "We got back to the house and basically there was about five of ____
quite a lot last night of term. Tried to open the door so got the
key out turned the key round and it just like the door was just
10 stuck it was this like we had double locked it we hadn't got but
basically obviously what we realised was the burglars inside had
clicked the Yale so it was totally locked." [+00:13:52]

Johanna: "Ok so what did you do then." [+00:31:20]

Ruth: "Screamed panicked everyone screamed panicked then we ran round the
15 back of the house. It was like one of those old sort of houses
that's got had a big park out the back and a back yard and the
back door was wide open and there were people running across the
field." [+00:33:06]

Johanna: "So how many people did you see?" [+00:42:54]

Ruth: "I don't know we were a little bit drunk and we could have been
20 seeing double." [+00:44:08]

Johanna: "Ok so let's see. There must be an even number at least." [+00:46:26]

Andrew: "Ok so I'm going to stop it there as it's quite a bit of data to
send." [+00:51:40]
